COMMIS CHEF APPRENTICE

Headland Hotel

Location: Newquay
Salary: £352.40/week

As well as food preparation and basic cooking the Commis Chef will rotate through the different kitchen sections such as sauce, vegetables, fish and larder in order to become a well-rounded chef. The Commis Chef will be responsible for ensuring that the senior chefs have the required food preparation for service to go smoothly. As more competence is shown, more responsibility will be given, and a Commis Chef will be asked to move to areas requiring greater delicacy and urgency for example hot dishes or pastry.

Cornwall's iconic five star hotel, with 91 bedrooms/suites and 40 self-catering cottages, located on a glorious clifftop above Fistral Beach, surrounded by the ocean on three sides. With a spa and Aqua Club, along with four restaurants and a surf school, this is a vibrant and busy place to work and have fun. Learning and development whilst being part of The Headland team is key, and all staff are expected to continue their professional development whilst employed.

Digital Media Apprentice

Eden Project
Location: Par
Salary: £4.30/hour

An exciting opportunity has arisen to join the Internal Communications and Learning function within our HR team, as a Digital Media Apprentice.

Eden is a vibrant, dynamic and ever-changing organisation, and our Digital Media Apprentice will capture and create content that keeps the Eden Team informed about developments and inspired and motivated by the way these bring our charitable mission and purpose to life.

Working alongside our Internal Communications and Learning team members, the Digital Media Apprentice will support the creation of photographic, video, audio and written content for communication and learning channels, such as: Our internal communications channel for employees (Facebook Workplace), Our digital employee learning courses (eLearning), Employee handbooks and other internal documents & Our careers website

This role will suit someone who is passionate about learning how to capture, create and edit digital and written content to develop a strong employer brand, as well as those who wish to gain a broad insight into how an organisation such as the Eden Project works. This is a unique opportunity to learn the craft of content production in a stunning environment, while gaining a unique insight into the Eden Project from a variety of perspectives.

Funeral Service Crew - Part Time

Co-op

Location: Redruth

Salary: £9.13 - £10.15 per hour plus benefits (16 hour/week)

you'll need a full manual UK driver's licence for this role

We're looking for caring people to join the Co-op Funeralcare team. You don't need experience to do this job, just a genuine desire to help people at the time they need it most. We'll also offer you a competitive salary, an excellent pension, and discounts on a range of Co-op products and services.

As funeral service crew you'll spend time supporting both the funeral itself and the care of the deceased. Working as part of a close-knit team, you'll help to ensure we provide a seamless, sensitive service to our clients. We welcome applications from people who are new to the industry, and those with funeral experience (if you've got lots of experience you won't need to do the apprenticeship).

What you'll do:

- collect the deceased from a range of locations and scenarios in a professional, empathetic and dignified manner
- form part of the funeral service – bearing coffins and driving funeral vehicles in a considerate and professional manner
- prepare coffins and engrave name plates according to clients' needs
- prepare the deceased in our care for both viewings and the funeral
- maintain the cleanliness of equipment and facilities, including our ceremonial vehicles

Closing date: 12 Mar 2021

Hairdressing Apprentice

DeModa Organic Hair & Beauty

Location: Illogan, Redruth

Salary: £4.15/hour (+ possible commission)

We are a multi-award winning hair & beauty salon situated in the village of Illogan, Redruth. We offer city standard treatments. You won't pay for parking, and you will generally be able to drive straight to work without being stuck in city/town traffic! We are nearby to a lovely little woods which is great for eating lunch on a nice day.

DEMODA is organic and we believe in trying our best to create a sustainable salon, along with being as healthy as we can be by using products that are safe and less harmful to health.

We are customer focused, dedicated to delivering excellent customer service and results, and we are a supportive brand that offers ongoing training to the right person. Commission is available to those that have the drive to work hard and show they have great value to bring to the company.

You will be on the standard apprenticeship wage, but should you excel at learning, and selling retail, as well as up-selling services, you may be offered a commission to top up your wages.

Please apply for this position by email with your up-to-date CV as either a Word document or a PDF document. Email subject line: Hairdressing Apprentice Position - (Your Name). In the body of the email, please tell us why you want to be considered for the role of Hairdressing Apprentice with us at DEMODA.

Trainee Assistant Practitioner (progressing to Assistant Practitioner after qualifying)

Royal Cornwall Hospitals NHS Trust

Location: x3 sites in Cornwall

Salary: n/a

An exciting opportunity has arisen in the Fracture Clinic for a trainee Assistant Practitioner. We are looking to attract an individual who is interested in working in an outpatient area undertaking wound care and investigations for patients with Trauma and Orthopaedic injuries. The correct applicant should also be interested in training to become a plaster Technician which will enable them to work within a dual role across RCHT and 3 peripheral sites.

You will study under an apprenticeship and the Plaster Technician training will be incorporated into the final year as area specific training. This will include travelling and being away from home for 5 consecutive weeks, there will be a written and practical exam at the end.

The right candidate will need to have drive and enthusiasm to undertake the studying required and to have a flexible approach to working. In return you will be joining a committed and friendly team who work hard to deliver high quality care to one of the busiest outpatient clinics in the hospital. The team are encouraged to develop interests within their chosen speciality area such as Safeguarding, diabetes and dementia. Innovation is promoted and wherever possible integrated into the clinic.

There is a good deal of autonomy with this post and therefore the applicant will need to demonstrate high levels of professionalism.

Apprentice Site Manager / Quantity Surveyor

Shared Apprenticeships South West (SASW)

Location: Redruth

Salary: Age relevant National Minimum Wage

For further information, use this link to book a place on a recruitment information event taking place at 4pm on 18th March [Cornwall Recruitment Drive for Technical Apprentices Tickets, Thu 18 Mar 2021 at 16:00 | Eventbrite](#)

If you would like a lifelong career in construction and to earn while you learn then an apprenticeship with Shared Apprenticeships will be perfect for you. We are currently recruiting for our 2021 intake of Apprentice Site Managers / Quantity Surveyors.

We work with top construction firms and are currently looking for willing construction technician apprentices in the specified area.

Successful applicants will be enrolled one of the following Apprenticeship Standards.

- Level 3 – Civil Engineering Technician – typical duration 36 months. - <https://www.instituteforapprenticeships.org/apprenticeship-standards/civil-engineering-technician/>
- Level 4 – Construction Design and Build Technician – typical duration 36 months. - <https://www.instituteforapprenticeships.org/apprenticeship-standards/construction-design-and-build-technician-v1-0>
- Level 4 - Construction Quantity Surveying Technician – typical duration 36 months. – <https://www.instituteforapprenticeships.org/apprenticeship-standards/construction-quantity-surveying-technician-v1-0>
- Level 4 – Construction Engineering Technician – typical duration 36 months. – <https://www.instituteforapprenticeships.org/apprenticeship-standards/construction-site-engineering-technician-v1-0>
- Level 4 – Construction Site Supervisor – typical duration 36 months. – <https://www.instituteforapprenticeships.org/apprenticeship-standards/construction-site-supervisor-v1-0>

Working with the main and the sub-contractors on site and supporting the management team you will learn all aspects of running a safe and productive construction site. In the first year you will gain a solid base in health, safety and welfare, preparing programmes and schedules of work and developing and maintaining working relationships alongside basics skills in estimating, planning, buying, surveying and site technical support. For more information on the Apprenticeship Standard please follow the links above.

Being employed by Shared Apprenticeships means you are guaranteed the opportunity to complete your apprenticeship with one or more of our host contractors. You will receive the national minimum wage for your age (which is higher than the national apprenticeship wage) and you will also get paid for your college day. At Shared Apprenticeships, your dedicated mentor is in place to help and guide you through your apprenticeship.

Duties may include, but are not limited to -

- Assisting the project management team in the running of a construction site
- Conducting site inspections with the site manager

- Working with estimators and surveyors
- Attending meetings with the project manager, site manager and other external parties

Apprentice Painter and Decorator

Devon & Cornwall Maintenance Solutions
Location: Saltash
Salary: £8,000-£10,000/year

We are looking to recruit an Apprentice Painter & Decorator. The ideal applicant will have some previous experience in painting and decorating and be willing to undertake an intermediate Apprenticeship which will take 2-3 years. Our work takes us across Devon and Cornwall so a willingness to travel for work is essential, along with a can-do attitude and a desire to learn.

You will be paired up with an experienced Decorator and duties will involve:

- Applying paint or other materials such as stains, lacquer or varnish using brushes, rollers or spray equipment
- Preparing and cleaning surfaces
- Removing old wallpaper and paint & Repairing cracks and holes in walls
- Mixing and thinning paint
- Measuring, cutting and applying wallpaper or fabric to walls
- Reading specifications to determine required materials to prepare for jobs
-

To undertake the apprenticeship, you will usually need some GCSE's, including maths and English.

Previous experience must be at least 6 months and a basic level of competency would be expected. This could include unpaid or paid painting and decorating experience.

Tesco

Location: Falmouth, Truro, St Austell, Bude, Plymouth

Salary: £20,000/year

Tesco Maintenance are recruiting for Property Maintenance apprentices. We are recruiting throughout South West England. You will spend 80% of your time in store, and the remaining 20% will be spent on off-the-job training.

At Tesco, our stores and offices could not function without the support of our Maintenance team. The primary role of a Property Maintenance Operative is to optimise the condition of our properties to a high standard, ensuring the building is safe at all times. Property Maintenance Operatives need to maintain a high level of quality and provide maximum satisfaction to colleagues and customers. They will learn and understand the mechanism of buildings; including electrical, plumbing, plant, safety systems and equipment. They will also deliver the first and immediate

response to fault-finding; maximising quality, ensuring cost-effectiveness and delivering stores that serve Britain's shoppers a little better every day.

You will be responsible for

- Ensuring a safe environment for those who work and shop in Tesco stores and offices
- Complying with Tesco safety, policies and procedures
- Identifying hazards and reducing them
- Carrying out daily maintenance; including fire alarm testing, sprinkler testing, HVAC maintenance, building maintenance, electrical checks and checkout maintenance
- Building effective relationships with the store leadership teams, communicating clearly on tasks and managing expectations where necessary
- Ensuring assets are fixed in line with the agreed SLAs
- Using the systems available to accurately record work completed and describing work that needs to be escalated
- Working closely with internal service teams and external contractors
- Meeting the necessary legal and compliance standards
- Attending store meetings to ensure there is an understanding of maintenance issues and their level of urgency
- Being aware of the cost implications and ensuring the most effective and efficient fix

Advanced Level 3 Design and Draughtsperson Apprentice

Pall Europe

Location: Redruth

Salary: £217.46

Pall Aerospace is a global high technology product design and manufacturing business. We are looking to take on two Advanced Apprenticeship Design and Draughtspersons for 2021, to be based at our Portsmouth, Hampshire and Redruth, Cornwall facilities.

Pall Aerospace offer a bespoke Advanced Apprentice pathway into a career as a professional design engineer, with both practical on the job training and formal qualifications. This is a four-year programme that will see you spend time in both our manufacturing facility in Cornwall and design office in Hampshire.

Basic Training (1 year): Attend block release at SETA Ltd in Southampton, where you will experience all aspects of engineering principles and practices e.g. Fabrication, Fitting, Turning, Milling, Electrical/Electronics, Computers. In addition, you will commence a Level 3 Diploma in Engineering (formerly known as a BTEC/ONC qualification) or top-up existing modules as required.

Design Engineering (Years 2 and 3) Your second and third year training is designed to provide you with the expertise, confidence and ability to work within a variety of functions across the Aerospace business. This will be based at Pall Aerospace's Manufacturing facility in Redruth, Cornwall. As well as this opportunity to practice and extend skills acquired during basic training, you shall continue to submit work and be evaluated by SETA as part of your apprenticeship framework. You will also undertake a Higher National Certificate in Mechanical and Production Engineering at the Cornwall College in Camborne on a day release basis.

Your fourth-year training will be in the Design Office at Pall's Portsmouth facility - (Year 4). Here you will develop an understanding of design practices and techniques, applying the practical learnings gained in years 1 to 3 to the design of Aerospace equipment. You will also have opportunity to progress your HNC certificate to an HND / foundation Degree level through Alton College (University of Portsmouth) in Hampshire on a block / day release basis.

You will be expected to spend time at both Portsmouth and Cornwall locations. A living allowance is available for the years that you spend at the non-home location.
