---

- First revise the Major focus areas for each paper.
- Regularly go through the Required practicals..
- Actively use the Revision guides – never too late to purchase.
- Knowledge organisers are available if you prefer.
- Tuesday after school - 3.15 to 4.15 -
- Use [Cognito](#)/[Seneca](#) at home/on the bus.

# ASK YOURSELF THESE QUESTIONS?

---

- Have I looked at the Major focus areas for each of the six papers?
- Which Required practicals am I expected to know for each paper?
- Have I crossed off the areas NOT assessed from Revision guides/KOs?
- Do I know what the Command terms actually mean? e.g. Evaluate, Compare, etc....
- Which common Maths skills do I need to practise?
- What are the 'Working Scientifically' skills examined in all six papers?

# FINAL WISE WORDS:

---

- Access the Year 11 Revision Google classroom.
- Download past papers - AQA exam board.
- Mark your work – know what you don't know.
- Organise your notes for EACH paper.
- Revise ACTIVELY! Not passively, with the phone out of reach!
