## Apprenticeship & Traineeship Vacancies w/c 8th February 2021

(Apprenticeship vacancies available to all age applicants, from age 16)

(for Traineeship eligibility visit <https://www.gov.uk/guidance/traineeship-information-for-trainees>)

### \*\*\* This week's featured Apprenticeship \*\*\*

#### Property Maintenance Apprentices (multiple vacancies)

Tesco

Location: Falmouth, Truro, St Austell, Bude, Plymouth

Salary: £20,000/year

Tesco Maintenance are recruiting for Property Maintenance apprentices. We are recruiting throughout South West England. You will spend 80% of your time in store, and the remaining 20% will be spent on off-the-job training.

At Tesco, our stores and offices could not function without the support of our Maintenance team. The primary role of a Property Maintenance Operative is to optimise the condition of our properties to a high standard, ensuring the building is safe at all times. Property Maintenance Operatives need to maintain a high level of quality and provide maximum satisfaction to colleagues and customers. They will learn and understand the mechanism of buildings; including electrical, plumbing, plant, safety systems and equipment. They will also deliver the first and immediate response to fault-finding; maximising quality, ensuring cost-effectiveness and delivering stores that serve Britain's shoppers a little better every day.

You will be responsible for

- Ensuring a safe environment for those who work and shop in Tesco stores and offices
- Complying with Tesco safety, policies and procedures
- Identifying hazards and reducing them
- Carrying out daily maintenance; including fire alarm testing, sprinkler testing, HVAC maintenance, building maintenance, electrical checks and checkout maintenance
- Building effective relationships with the store leadership teams, communicating clearly on tasks and managing expectations where necessary
- Ensuring assets are fixed in line with the agreed SLAs
- Using the systems available to accurately record work completed and describing work that needs to be escalated
- Working closely with internal service teams and external contractors
- Meeting the necessary legal and compliance standards
- Attending store meetings to ensure there is an understanding of maintenance issues and their level of urgency
- Being aware of the cost implications and ensuring the most effective and efficient fix

**Closing date: 30 Apr 2021**

**Possible start date: n/k**

**Advanced Level 3 Design and Draughtsperson Apprentice**

Pall Europe

Location: Redruth

Salary: £217.46

Pall Aerospace is a global high technology product design and manufacturing business. We are looking to take on two Advanced Apprenticeship Design and Draughtspersons for 2021, to be based at our Portsmouth, Hampshire and Redruth, Cornwall facilities.

Pall Aerospace offer a bespoke Advanced Apprentice pathway into a career as a professional design engineer, with both practical on the job training and formal qualifications. This is a four-year programme that will see you spend time in both our manufacturing facility in Cornwall and design office in Hampshire.

Basic Training (1 year): Attend block release at SETA Ltd in Southampton, where you will experience all aspects of engineering principles and practices e.g. Fabrication, Fitting, Turning, Milling, Electrical/Electronics, Computers. In addition, you will commence a Level 3 Diploma in Engineering (formerly known as a BTEC/ONC qualification) or top-up existing modules as required.

Design Engineering (Years 2 and 3) Your second and third year training is designed to provide you with the expertise, confidence and ability to work within a variety of functions across the Aerospace business. This will be based at Pall Aerospace's Manufacturing facility in Redruth, Cornwall. As well as this opportunity to practice and extend skills acquired during basic training, you shall continue to submit work and be evaluated by SETA as part of your apprenticeship framework. You will also undertake a

Higher National Certificate in Mechanical and Production Engineering at the Cornwall College in Camborne on a day release basis.

Your fourth-year training will be in the Design Office at Pall's Portsmouth facility - (Year 4). Here you will develop an understanding of design practices and techniques, applying the practical learnings gained in years 1 to 3 to the design of Aerospace equipment. You will also have opportunity to progress your HNC certificate to an HND / foundation Degree level through Alton College (University of Portsmouth) in Hampshire on a block / day release basis.

You will be expected to spend time at both Portsmouth and Cornwall locations. A living allowance is available for the years that you spend at the non-home location.

Closing date: 31 March 2021

Possible start date: 07 Sept 2021

**Store Management Apprentice (x8 positions available in Cornwall)**

Aldi

Location: Bodmin, Liskeard, Wadebridge, St Austell, Newquay, Truro, Camborne &amp; Redruth

Salary: n/k

One thing's for sure as a Store Management Apprentice in Retail you'll never be bored. Balancing theory with practical store work, you'll be expected to work hard on this three-year programme.

There's a real family feel here, and we all pitch in as part of a close-knit team. And since there's always loads of support from those around you, ranging from Store Managers to Store Assistants, you'll never feel like you're struggling.

In this fast paced environment, you'll get to learn something new every day in a company that thrives on being different. As someone who wants to make things happen, you'll find all this adds up to an exciting challenge. The time will fly by and before you know it you will have your Level 3 Retail Team Leader qualification and be working as a fully-fledged Deputy Store Manager with real opportunities for progression in the future.

Please note you will need GCSEs in Maths and English, grade 4 and above (minimum grade C or equivalent) to be able to undertake the Apprenticeship.

**Craft Apprentice (x2 positions in Cornwall)**

Western Power

Location: Bodmin &amp; Redruth

Salary: £14,584 starting salary

You don't have to go to university to make the most of your career potential. If you would like to earn while you learn and want to be part of a great team - Western Power can offer you the opportunity to achieve this and embark on an exciting journey.

This is a hands-on role working outdoors in all weathers. You will need to be flexible and adaptable as repairs are carried out around the clock, 365 days a year.

Our highly trained engineers are at the frontline and are vital to our work maintaining and repairing assets on the electricity network. As our industry continues to evolve and innovate, these exciting opportunities offer the chance to develop a career with a supportive and forward-thinking organisation.

Your apprenticeship begins with 12 weeks residential training at one of our dedicated Training Centres and continues when you return to your local depot with "on the job" and technical training to help you achieve the City & Guilds 2339 Levels 2 and 3 in Electrical Engineering. Depending on the career path you choose, you may have the opportunity to gain further qualifications.

Please note that we are unable to accommodate any annual leave during these first 12 weeks of training.

Along the way, you will enjoy a rewards package that includes a competitive salary and generous holiday entitlement.

Operationally we require you to live within approximately 30 minutes of the depot you are applying for. Please

only submit one application. If you appear to be a good match for more than one location, we will consider your suitability during the process. Multiple applications will not be considered.
